Don't forget that today is your last chance to make a tax-deductible gift to ITN Memphis for 2013!

Freedom...what is it worth to you personally?

I imagine you're thinking, "A lot!"

Being without transportation is isolating, frustrating and lonely. With ITN® (Independent Transportation Network®), seniors and people with visual impairment regain their freedom to access medical care, visit friends and relatives, shop, or simply get a haircut. 'Freedom' and 'independence' are the words ITN riders use most when describing our service.

ITNMemphis is so close to our much-anticipated launch. Please support us now to make safe, affordable transportation for seniors and the visually impaired a reality for Memphis. Remember your gift is tax-deductible and stays in our community.

PLEASE, help ITN be there when you or your loved ones need it.  
It's safe. It's affordable. It helps families.

Sincerely,

Jordan Moore, MPA, CNP  
Operations Manager
