

Our Mission

ITNAmerica® imagines a day when all seniors will have access to transportation when they want it. We provide dignified community-based and community-supported transportation for seniors and the visually impaired.

ITNAmerica has affiliates from coast to coast. We provide an invaluable service to riders as well as adult children who no longer need to worry or leave work to give rides to their parents.

All donations to ITN benefit the local community. ITN is a 501c(3) corporation. Your contribution is tax-deductible to the extent allowed by law.

Dignified transportation for seniors

Be a *Lifeline*

You love to drive and have some spare time on your hands. Think about what fun and how rewarding your help and companionship would be to a senior who can no longer get behind the wheel.

All of us have a stake in helping to ensure that older adults and the visually impaired can remain active once they stop driving. The Independent Transportation Network® offers safe rides in automobiles, 24 hours a day, 7 days a week. Volunteers help older people stay connected to families, friends and activities that bring meaning to their lives—and to yours.

“I like to keep people happy. It has meant a lot to me, and my life has been broadened in many ways.”

- Volunteer Driver since 1995

Become a *Volunteer*

“It is nice to know I make a difference in someone's life every time I drive.”

- Volunteer Driver since 1999

- You help make driving safer for everyone.
- You provide a positive alternative to a huge national problem by ensuring that seniors have a great choice without burdening family or friends.
- You help seniors stay independent and healthy by taking them to visit friends, to the gym or to a doctor's appointment.
- You get mileage reimbursement for part of the ride and transportation credits for the rest. Save these credits for your own future use, transfer them to a loved one or donate them to the Road Scholarship Program for low-income riders.

We'll work around
your schedule

Provide one afternoon a week or a few hours during the month. You'll receive training, and we'll arrange your driving assignments and routes around your schedule. You can even pick up a rider on your way to work and do a good deed before the day's begun!

Help us *Recruit*

There are older people in our community who need rides right now. If you know older drivers or non-drivers who could benefit from our services, please have them call 901-833-7666 or email info@ITNMemphis.org to learn more!

“I've driven for over 10 years and still love it. At some point, I'll just move to the passenger seat.”
